

BUSINESS PROFILE

ABOUT US

We are WOWBoxx.

We make corporate gifting easy. So that you can promote your brand.

An established and rapidly growing company headed by Hari Krishna M, a 25-year veteran of business and service. Since 1997, he has worked for a variety of companies, including Daily Rounds, Belong, Ganit Labs, Monsanto, Siemens & Architect Alex Jacob. It is the depth of his knowledge, expertise, and experiences that makes this company so strong.

For organizations looking to promote their brands, WOWBoxx is the perfect corporate gifting choice. With a comprehensive understanding of services, finances, design, procurement, packaging, personalization, logistics, and overall delivery of swag products, our founder and the team are leaders in this field.

As an all-in-one corporate gifting platform, we make sure to partner only with the best. Our team curates and delivers unique personalized offerings that meet your budget and deadline.

Increasing your recognition, driving sales, and penetrating new markets is made easy with our SWAG, that is our guarantee!
